Alexandria, Virginia 22313-1450

**CHANGE OF ENTITY STATUS AND**

**ASSERTION OF ENTITLEMENT TO SMALL ENTITY STATUS**

The subject patent no longer meets the requirements for large entity status, and accordingly, change of status from large entity to small entity is requested. Pursuant to 37 CFR § 1.27(c)(1), assertion of entitlement to small entity status is hereby made.

Maintenance Fees will be paid by the undersigned (Customer No. 48503) on behalf of Assignee, Queen's University at Kingston. A Fee Address Indication Form in favour of the undersigned was filed on 20 February 2013.

Please charge any other fee that may be required to our Deposit Account No. 17-0110.

Respectfully submitted,

Stephen J. Scribner  
Registration No. 44,452

Date: 20 Feb. 2013
